Received from Collection of

FR. RENE DE NAURDÍ Date 1978

No. 106934

Corvus albus $\frac{2}{4}$ incubated + $\frac{2}{1}$ Clamator glanda-
ruis one egg damaged

- Dakar (near outskirts), Sénégal, Haaguer,

- June 1964 Oel, Red Naurors

- Corvus albus is common and nests often on Casuarina Trees, often along roads, near Dakar. Fairly often one finds 1, sometimes 2, rarely 3 eggs (I found it once!)
